

**Contents**

1.	Introduction & Demonstration.....	1
2.	Overall System Architecture .....	1
3.	System Design - Block & Merkle Tree Root.....	1
4.	System Design - Block & Proof of Work.....	1
5.	System Design - Blockchain.....	1
6.	System Design - Centralized Network & Data Storage .....	1
7.	Extra Information - Blockchain should be in a decentralized network.....	1
8.	Reference.....	1

**1. Introduction & Demonstration**

To update

**2. Overall System Architecture**

To update

**3. System Design - Block & Merkle Tree Root**

To update

**4. System Design - Block & Proof of Work**

To update

**5. System Design - Blockchain**

To update

**6. System Design - Centralized Network & Data Storage**

To update

**7. Extra Information - Blockchain should be in a decentralized network**

To update

**8. Reference**

To update
